Please send your suit insured and with tracking. Columbus Scuba is not responsible for suits that are lost to us in transit. Do not send dry-suit bags or extras. We only want what we are working on (please send with all valves including p-valves, and seals). Not being able to seal the suit will result in delayed repair and testing. Please send dry-suits with ALL VALVES AND SEALS. Not being able to seal the suit will result in delayed repair and testing.
